EWM 2

The EWM 2 cordless mop easily removes stains and splashes – without having to drag a bucket around or any need for scrubbing. It leaves surfaces 20% cleaner than a mop.[1] Battery run time: approx. 20 mins.

Two-tank system

EWM 2, 1.056-310.0, 2026-11-19

[1] The EWM 2 achieves up to 20% better cleaning results than a traditional wiping mop with a wiping cloth cover in the "Wiping" test category. Refers to average test results for cleaning efficiency and edge cleaning. [2] When cleaning with direct contact with the surface to be cleaned, up to 99% of all common household bacteria on common household smooth hard surfaces are killed (test germ: Enterococcus hirae). According to the 4-field test (based on DIN EN 16615:2015-06).

Removes spills and dried on liquid.

- Replaces the traditional mop and bucket
- Cleans right up to the edge.

Wiping is 20%[1] cleaner than using a wiping mop and significantly more comfortable.

- 2-tank system with Hygienic!Spin: permanent wetting of the rollers from the fresh water tank while the dirt is collected in the dirty water tank. For up to 99%[2] bacterial elimination.
- Effortless: No dragging a bucket around, no wringing out the floor cleaning cloth by hand, no scrubbing.
- Pure!Roll rollers are machine-washable at 60 °C.

Slimline product design and floor head with swivel joint

- Effortless cleaning under furniture and around objects.
- Simple transport and comfortable use thanks to low product weight.
- Compact storage.
