Surface Area Cleaning Guide

Using standard Kärcher Lance

Using Kärcher Hard Surface Cleaner (T-Racer) accessory

Petrol

G 3050 OH

- Commercial grade brass pump
- 5 quick connect nozzles
- Pneumatic tyres
- Reinforced high pressure hose
- Detergent injector hose
- High quality HONDA petrol engine
- 1 Year commercial warranty

Part Number 1.107-182.0

PSI MAX	L/MIN	MOTOR	HOSE	WARRANTY
3000	9.4	6 HP	7.6 m	1 year

Petrol

G 2800 FH

- Commercial grade brass pump
- 5 quick connect nozzles
- Never flat tyres
- Reinforced high pressure hose
- Detergent injector hose
- High quality HONDA petrol engine
- 2 Year warranty

Part Number 1.107-212.0

PSI MAX	L/MIN	MOTOR	HOSE	WARRANTY
2800	9.4	5.5 HP	7.6 m	2 years

Petrol

G 2500 DCE

- Commercial grade brass pump
- 4 quick connect nozzles
- Never flat tyres
- Reinforced high pressure hose
- Detergent injector hose
- Kärcher 173cc petrol engine
- 2 Year warranty

Part Number 1.107-213.0

PSI MAX	L/MIN	MOTOR	HOSE	WARRANTY
2500	9.1	4.5 HP	7.6 m	2 years

K6

Premium Home & Car Deluxe

Heavy Duty Plus

- High grade aluminium pump
- Long life water cooled induction motor
- Vario power spray lance
- Dirt blaster for 80% more cleaning power
- Integrated hose reel with quick connect fitting
- Convenient Plug 'n' Clean regulated detergent system
- T450 Hard surface cleaner
- Wash brush
- 1L stone cleaning agent
- 1L car shampoo

Part Number 1.167-603.0

COVERAGE	PSI MAX	L/MIN	MOTOR	HOSE	WARRANTY
60 m ² /h	2300	8.3	2.2 kW	10 m	5 years

K4

Premium Car

Medium-Heavy Duty

- Corrosion free for life pump
- Long life water cooled induction motor
- Vario power spray lance
- Dirt blaster for 80% more cleaning power
- Integrated hose reel with quick connect fitting
- Convenient Plug 'n' Clean regulated detergent system
- Wash brush
- 1L car shampoo

Part Number 1.180-615.0

COVERAGE	PSI MAX	L/MIN	MOTOR	HOSE	WARRANTY
30 m ² /h	1900	7.0	1.9 kW	9 m	5 years

K2

Telescopic Plus

Light Duty

- Corrosion free for life pump
- Vario power spray lance
- Dirt blaster lance for 80% more cleaning power
- Injector hose for detergent
- Telescopic handle

Part Number 1.602-217.0

COVERAGE	PSI MAX	L/MIN	MOTOR	HOSE	WARRANTY
20 m ² /h	1600	6.0	1.4 kW	6 m	2 years

K5

Premium Home & Car Deluxe

Heavy Duty

- Corrosion free for life pump
- Long life water cooled induction motor
- Vario power spray lance
- Dirt blaster for 80% more cleaning power
- Integrated hose reel with quick connect fitting
- Convenient Plug 'n' Clean regulated detergent system
- T350 Hard surface cleaner
- Wash brush
- 1L stone cleaning agent
- 1L car shampoo

Part Number 1.181-329.0

COVERAGE	PSI MAX	L/MIN	MOTOR	HOSE	WARRANTY
40 m ² /h	2100	8.0	2.1 kW	10 m	5 years

K4

Compact

Medium-Heavy Duty

- Corrosion free for life pump
- Long life water cooled induction motor
- Vario power spray lance
- Dirt blaster for 50% more cleaning power
- Detergent hose for detergent
- Telescopic handle

Part Number 1.637-310.0

COVERAGE	PSI MAX	L/MIN	MOTOR	HOSE	WARRANTY
30 m ² /h	1885	7.0	1.8 kW	6 m	5 years

K2

Basic

Light Duty

- Corrosion free for life pump
- High pressure lance
- Injector hose for detergent
- Carry handle

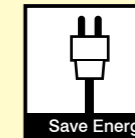

Part Number 1.602-110.0

COVERAGE	PSI MAX	L/MIN	MOTOR	HOSE	WARRANTY
20 m ² /h	1600	6.0	1.4 kW	4 m	2 years

KÄRCHER

makes a difference

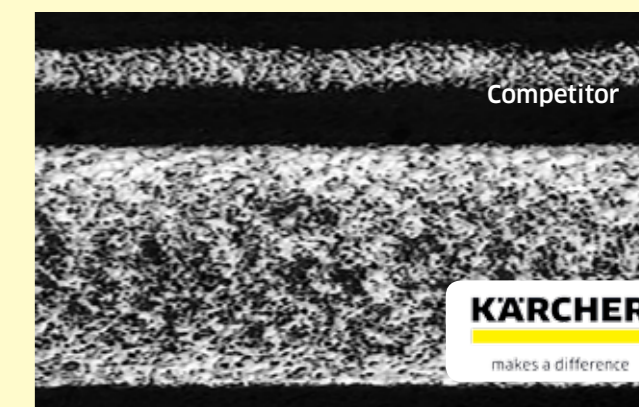

Kärcher's efficient waterblasters can save up to 50% in terms of energy, water and time¹

Kärcher's patented superior nozzle design provides faster, more effective cleaning

Cleaning Comparison Example²

¹ Scientifically confirmed by the renowned independent Fraunhofer Institut.
² Cleaning tests (single pass of lance) were conducted under standardised procedures with as close as possible technical data in order to guarantee valid and reproducible test results. Cleaning test above indicates the performance of the dirtblaster nozzles. The Kärcher waterblaster therefore has the potential to clean more effectively using less time, water and energy to clean the same area.

Plug 'N' Clean System

Quick and Simple Changing

Simply remove the old cleaning agent bottle, fit the new one and continue working. Even change from one cleaning agent to another with no trouble at all.

Available for models K4-K6

Kärcher's Water Cooled Motor

- World's first and only water cooled motor in a domestic waterblaster
- Significantly increases life of the unit
- German designed and engineered
- Backed by a 5 Year Warranty***

*K4-K6 water cooled models.

Kärcher Waterblasters

Kärcher waterblasters are an unbeatable alternative to manual cleaning methods. They are a convenient and easy way of cleaning around the home eg. cars, boats, bikes, walls, paths, driveways, decks and garden furniture.

saves water

Karcher waterblasters use up to **80% less water** than a hose with up to **35 times more pressure!***

The Kärcher Advantage

Manufactured at Kärcher's OWN PLANTS utilising superior German Design and Technology - high quality

Extensive New Zealand wide service network - outstanding service and spare parts availability

Environmentally friendly - reduced water consumption and less need for detergents

Achieving exceptional cleaning results - the proof is in a job well done.

Insulated - for added safety

AutoStop - protects from overheating, prolonging the life of your Kärcher waterblaster

Corrosion Free Pump

Kärcher's patented Non-Corrosive pumps are guaranteed corrosion free for life*

Backed by a warranty of up to 5 years.

Kärcher waterblasters are German designed and engineered for strength, durability and long life.

*K2-K5 models

Kärcher's Water Cooled Motor

World's first & only water cooled motor in a domestic waterblaster (K4-K6 models)

Significantly increases life of the unit

Backed by a 5 Year Warranty

Kärcher waterblasters draw water straight from either a tap, bucket or tank!

*Under average suburban water pressure of 4.5 bar a typical garden hose uses 3500 litres per hour. A Kärcher waterblaster with spray lance uses 400 to 600 litres per hour at up to 172 bar.

Cleaning Agents

Environmentally friendly, bio-degradable

Universal Cleaner

Heavy-duty universal cleaning agent. Easily removes mineral, oil and grease stains.

Plug 'n' Clean Pouch Concentrate

Stone and Facade Cleaner

Powerful cleaning agent with anti-corrosion formula. Effectively removes emission and road dirt, algae and fungal growth on stone and facade surfaces.

Wood Cleaner

Heavy-duty cleaning agent. Can be used for cleaning all treated and untreated water-resistant wood surfaces.

Patio & Deck Cleaner

For non-abrasive removal of mineral soiling, emission soiling and green coatings on patio and deck surfaces.

Car Shampoo

For non-abrasive removal of oil, grease, soiling from winter waste and emissions on vehicle paint, glass, plastic and chrome.

Wash n Wax

2 in 1 car shampoo and conditioning wax in one product for motor vehicles. Accelerates drying and preserves the paint.

3n1 Plastic Cleaner

For cleaning outdoor plastic and PVC surfaces. Removes oil, grease, dirt and soiling due to air pollution.

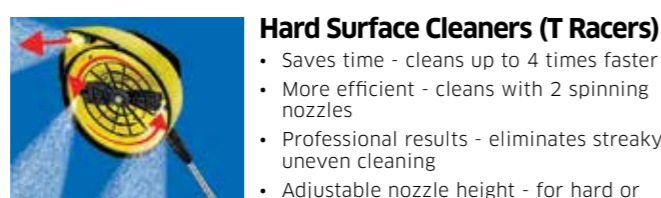

Boat Cleaner

For removing algae, salt and water residue and the UV colour and material protection formula slows the effects of the sun and weathering. Suitable for boats and boat trailers.

Pouch Concentrate makes 5 litres

Hard Surface Cleaners (T Racers)

- Saves time - cleans up to 4 times faster
- More efficient - cleans with 2 spinning nozzles
- Professional results - eliminates streaky, uneven cleaning
- Adjustable nozzle height - for hard or sensitive surfaces
- Ideal for cleaning timber decks, driveways, paths etc.

2 T300 T Racer

- Adjustable nozzle height
- K2-K6 models

T350 T Racer

- Adjustable nozzle height
- For petrol waterblasters 2400-2600 PSI

4 Power Scrubber

- Three integrated high pressure nozzles
- Powerfully and effectively removes stubborn dirt from all kinds of surfaces
- Ideal for the cleaning of steps, corners and edges

5 Telescopic Lance

- High pressure flat jet nozzle
- Ideal for cleaning hard to reach areas
- Extends from 1.2m to 4m
- Shoulder strap for operator comfort
- Compatible with other Kärcher accessories

6 Angled Spray Lance

- Extra long angled spray lance for cleaning hard to reach areas
- Ideal for roofs, gutters and car under bodies

7 WB 150 Power Brush

- Power brush with the power of high pressure cleaning - for quick, efficient and effortless cleaning.
- For splash free cleaning of sensitive surfaces i.e. cleaning vehicles, glass, garages and more.

9 Soft Wide Brush

- For cleaning larger surfaces including vehicles, boats, windows, walls etc.
- High surface cleaning rate

10 FJ3 Foam Jet

- Aerated foaming action
- Excellent adhesion and application of detergent
- Ideal for applying cleaning solutions to vertical surfaces

11 Suction Hose

- Allows extraction of water from alternative sources, i.e. - tanks, barrels or buckets
- Non-return valve ensures the hose remains primed with water - no air-pockets
- Suitable for K3 to K6 models

Chassis Cleaner

- Cleans vehicle and trailer chassis with ease
- Great cleaning efficiency due to the rotary action of the two high pressure nozzles
- Adjustable nozzle heights allow for cleaning under vehicles with different levels of ground clearance from 11cm to 38cm
- Suitable for K2 to K6 models

12 Pipe Cleaning Kit

- Suitable for indoor and outdoor use when cleaning pipes, drains and clearing blockages
- Four reverse firing high pressure jets propel the hose into the pipe
- Extra short brass nozzle for maximum flexibility in the pipe
- Anti-kink sleeve and flexible quality textile-braided hose
- Consecutive marks and marker ring to show progress in the pipe

13 Extension Hose

- Extends working radius of high-pressure hose
- Connects between trigger gun and high-pressure hose gun
- Available in 10m lengths

Water Filter

- Prevents dirt particles in contaminated water getting into the pump
- Recommended when drawing water from a tank or bore

15 Wheel Rim Cleaner

- For cleaning brake dust, road film and other dirt
- Ideal for use on steel and metallic wheel rims

16 Insect Remover

- Removes insects gently from paint surfaces, radiator grills, exterior mirrors, window surfaces and plastics
