

# KÄRCHER

makes a difference

## ECONOMIC CLEANING SOLUTION

A quiet and flexible carpet extractor.

# PUZZI 30/4

## Carpet cleaning flexibility for all areas.

This mobile and quiet machine is specifically designed for cleaning carpeted areas and provides a user-friendly and economic cleaning solution. It's upright design offers comfortable ergonomic operation and improved productivity. The Puzzi 30/4 also has an integrated HEPA-level filter for optimal health protection. Accessories can be stored directly on the machine. This carpet extractor is certified to UL and CSA standards.

### 1 Extremely quiet

- Daytime cleaning and operation in noise-sensitive areas possible with the low noise level of 66 dBA.

### 2 Easy transport

- Large wheels enable simple and comfortable transport over thresholds and up and down stairs.
- Ergonomic operation and comfortable handling due to upright design.
- Easy transport – the machine can be moved lying on its back and with a full solution tank.

### 3 Easy use

- Easy removal of the fresh water filter.
- Solution level indicator.
- On-board storage for accessories.

### 4 Improved Accessibility

- Easily accessible fresh water fill port.
- Easy to remove recovery tank.

# Technical data and equipment

## 5 Flexible floor nozzle

- Superior extraction at every angle due to the flexible floor nozzle.
- The patented flexi-wand adjusts for all heights of users, making operation comfortable, reducing fatigue and improving productivity.

## 6 HEPA-level filtration

- Integrated HEPA-level filter for better user protection against airborne particulates.

### Puzzi 30/4

- = Removable waste water tank
- = Fresh water tank level display
- = Horizontal transport possible with full fresh water tank
