

BRS 40/1000 C High Speed Roller Brush Floor Machine

BRS 40/1000 C Roller Brush Machine

Deep cleaning, stripping, polishing and buffing.

Scrub, strip and polish with one machine. The industry-exclusive BRS 40/1000 C eliminates the sore hands, wrists, arms and backs associated with conventional rotary disk floor machines. Scrubs and strips floors close to any wall without splashing the baseboards. Can be operated in a side-to-side or push-pull motion. People apprehensive or afraid of “swing” machines will just love using the BRS 40/1000 C. Low profile allows cleaning where most floor machines can't go. Large selection of roller brushes and pads to tackle any floor maintenance procedure or task. BRS 40/1000 C is convenient for transport and storage, the machine can be folded space-saving.

Model	Order #
BRS 40/1000 C 16" Cylindrical brush floor scrubber	9.512-619.0

Technical Data	
Cleaning width	16"
Productivity	4,840 ft ² per hour
Realistic Productivity Rate	3,000 ft ² per hour
Solution tank	2.64 gallons
Cleaning brush speed	1100 RPM
Brush length	16"
Power	120 V electric
Weight	59.5 lbs
Dimensions (l x w x h)	19.3" x 18.1" x 47.2"

Standard Equipment	
Fresh water solution Tank- 2.64 gal	4.783-005.0
