

B 40 C Ep/Bp/W Bp
17", 18", 20" or 22" Electric or Battery Floor Scrubber

B 40 C Ep/Bp/W Bp Floor Scrubber

Operator ease with Kärcher KIK

Kärcher Canada is very pleased to introduce the B 40 C Ep/Bp/W Bp walk behind scrubber. This is the most versatile, full featured scrubber on the market today. It is available as battery operated compact B 40 C Bp, 120 V electric B 40 C Ep and a traction version B 40 W Bp. It can be ordered with either 18" or 22" cylindrical roller brush heads or 17" or 20" disk heads. The B 40 has a Tank-in-Tank system that gives the operator full access to the water recovery tank making the unit compact and maintenance friendly. The new KIK system (KIK-KÄRCHER INTELLIGENT KEY) allows managers and service technicians access to functions that operators do not need. The operator simply inserts the key and cleans.
