

# B 80 W Bp Floor Scrubber The New KEY in Cleaning Innovation

# B 80 W Bp Floor Scrubber

## Convenient solution for cleaning large areas.

Kärcher's NEW and improved B 80 W Bp walk behind floor scrubber is designed to simplify operation and to deliver high performance. The B 80 W Bp scrubber comes with numerous practical features for cleaning large areas with exceptional results. Standard equipment includes the KIK (Kärcher Intelligent Key) system, automatic brush head and squeegee mechanism, integrated tank cleaning system, convenient adjustment of the water flow on the control panel, effective parking brake, different battery sizes and working widths, and the new advanced large color display for easy operation with on screen operational information.
