

CV 30/1 12" High Performance Upright Vacuum

CV 30/1 Upright Vacuum

Powerful single-motor brush vacuum cleaner.

High-suction, low handle weight upright vacuum for commercial carpet cleaning duties. Patented features include filter removal system for dust-free bag changes and unique clutch mechanism to protect from expensive brush head repairs. A powerful 1150 watt motor provides impressive suction performance with 101 cubic feet per minute (CFM) and 81 inches of water lift. On-board crevice and upholstery tools, extension wand and flexible hose for effortless above the floor cleaning in hard to reach areas. Optional HEPA filter for those requiring extremely high dust filtration capabilities.

Model	Order #
