Claim FREE
Hard Surface Cleaner & Nozzle Kit worth **£150.00**

ZERO FORCE. FULL POWER.

Introducing the new EASY!Force trigger gun.

Only one thing should come between you and your cleaning task: our new EASY!Force trigger gun. It gives you the power to use high pressure with ease. The revolutionary operating concept of the EASY!Force trigger gun uses the recoil force of the high-pressure jet and reduces the holding force for the trigger to zero. Absolutely zero. Designed for effortless, ergonomic and stress-free use.

Easy!Force is compatible with all Kärcher pressure washers*, offering a new dimension in control and ergonomics, letting you clean effortlessly and with less stress, so you can focus on getting the job done.

Try our EASY!Force trigger gun - you won't want to put it down.

*up to 300 bar, adapter may be required

HOT WATER PRESSURE WASHER

SSP **£ 2,950.00**

HDS 10/20-4 MX

FROM **£ 21.00 p/w**

- High water flow rate of 1000 l/h and 200 bar operating pressure for fast dirt shifting of stubborn dirt
- 3 phase power supply for hot water cleaning at temperatures up to 155°C
- ecoefficiency saves up to 20% on fuel costs
- Built-in exhaust gas thermostat deactivates the motor if the emission temperature exceeds 300°C
- Keep everything secure and at hand with integrated hose reel with 20m hose, and large hooks for the power cable
- Two separate detergent tanks allow quick changeover between cleaning agents with precise dosage

COMPACT SCRUBBER DRIER

SSP **£ 4,579.00**

BR 45/22 C Bp

- 22 litre clean and dirty water tanks with 450mm brush working width
- Kärcher's ecoefficiency mode reduces noise levels, energy and water consumption, which results in greater run times and the ability to use the machine in noise sensitive areas
- Brush head can be rotated by up to 200 degrees in either direction for exceptional manoeuvrability and cleaning performance
- Long life lithium-ion battery with on board charger

RIDE-ON COMBINATION SWEEPER-SCRUBBER

SSP FROM
£ 49,999.00

B 300

FROM
£ 359.00 p/w

- Ride-on combination sweeper scrubber which performs two tasks simultaneously
- Highly agile and manoeuvrable machine with a working width of up to 1.75m which excels at large area cleaning
- Powerful and robust LPG and diesel engines for indoor and outdoor operation
- 300 litre fresh/dirty water tanks for long operating periods

RIDE-ON SWEEPER

KM 105

SSP FROM
£ 16,399.00

FROM
£ 105.00 p/w

- 1050mm sweeping width with automatic roller brush correction according to wear and three contact pressures adjustable at the push of a button
- Excess power generated during motion is transferred to a battery, which when driving uphill, is transferred to the motor
- Kärcher TACT automatic filter cleaning system
- 2 x 50 litre waste containers

Shown with additional beacon and side brush

DRY VACUUM CLEANER FOR AIRCRAFT

T 12/1 HF

- The T 12/1 Hf uses on board voltage at 400hz 110v so can be used on airplanes worldwide
- The 25m power cable guarantees easy handling and effort-saving working on airplanes where there are minimal power sockets available
- Equipped with an ergonomic foot switch for easy operation and stress-free working in confined spaces of an airplane
- Washable fleece filter basket enables vacuuming in low-dust environments without a bag

SSP
£ 180.00

WET & DRY VACUUM CLEANER

NT 65/2 AP

SSP
£ 439.00
