

KM 100/100 R Bp 40" Ride On Sweeper with Dust Control

KM 100/100 R Bp Ride On Sweeper

Effective and highly productive in large areas.

Highly productive sweeper with complete dust control at a cost effective price. Large cylindrical filter effectively contains the finest dust. Our patented system provides an impressive 99.95% dust filtration efficiency level. In addition, and unlike competitor sweepers, employees do not have the unpleasant task of removing the filter panels in order to clean them thoroughly. Easy to operate; comfortable to use; front wheel drive for maximum maneuverability; great visibility; just some of the features that ensure maximum productivity.

Model	Order #
KM 100/100 R Bp 245 A/H Wet cell batteries	9.512-498.0

Technical Data	
Cleaning width	40"
Productivity	83,960 ft ² per hour
Realistic productivity	59,000 ft ² per hour
Power	Battery
Sweeping method	Overthrow
Hooper size	2 x 13.2 gallons
Filter cleaning	Electric, automatic
Main broom length	27.55"
Side broom diameter	17.32"
Weight	1190 lbs with batteries
Dimensions (l x w x h)	79.0" x 39.6" x 53.2"

Standard Equipment	
Main broom	6.906-375.0
Side broom	6.905-986.0
Cylindrical high-performance dust filter ⁵	6.414-532.0
330 amp. battery	9.512-375.0
24V 30 amp. Charger	9.512-416.0

Applications

- Auto dealers
- Landscaping contractors
- Convention facilities
- Parking facilities
- Municipalities
