

CarpetPro

Carpet rinsing RM 763

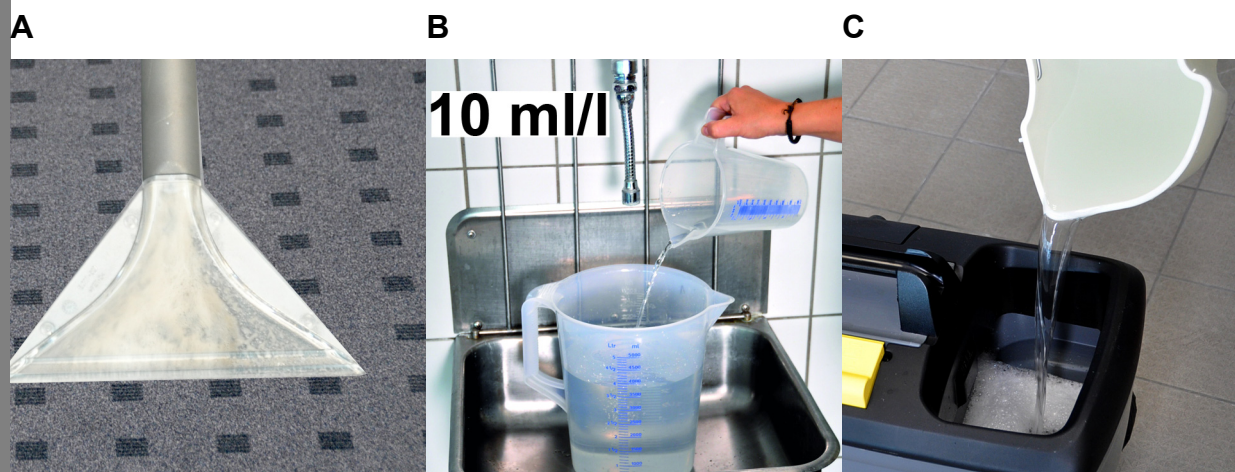

⚠ WARNING

These are only brief instructions! Please read the product information and observe the safety information on the product label prior to using the detergent. Follow the dosing instructions on the product label.

The non-compliance with the safety information can cause damage to the object to be cleaned and risks for the environment, the user and other persons.

Preparation

1

- A Clean carpet using Carpet Pro carpet cleaner RM 760 Powder Classic or RM 764 Classic.
- B Dose detergent (10 ml/l).
- C Fill detergent solution into the fresh water tank.

Rinsing

2

- A Spray and vacuum off rinsing solution in one procedure.
- B Allow carpet to dry.

Note

The drying times depend on the indoor climate and nature of the carpet.

After rinsing

3

- A Carefully clean accessories, work materials and machines after working.
