

PressurePro Machine Protector Advance 2 RM 111

For optimal protection of hot water high-pressure cleaners with System Care option. System Care Advance 2 provides the following protection functions for your equipment:– Protection against limescale deposits in the heating coil (up to 150°C) – Pump care additive for continuous lubrication and care of the high-pressure pump – Protection against black water contamination (rust formation in the heating coil in the case of very soft water) – Corrosion protection for all parts in contact with water.

Properties

- With integrated corrosion protection for all components in contact with water
- Protection against heater coil corrosion with very soft water
- With pump care additives for continuous lubrication and care of the high-pressure pump
- Effectively prevents limescale deposits in hot water high-pressure cleaners
- Specially for devices with system care adaptation
- Rapidly separates oil/water in the oil separator (easy to separate=asf)
- NTA free

Areas:

Machine protector: Machine maintenance, limescale protection and pump care

Application

- Hot water high-pressure cleaners

Application:**Hot water high-pressure cleaners**

- Set the dosage according to the water hardness (done by service technician).

Directions for use:

- Store away from frost.

Warnings and safety recommendations according to EC Directives:

- EUH 210 Safety data sheet available on request.

Further information:

- Material Safety Data Sheet (MSDS)

Dosage and yield:

Content:	Cleaning method:	Primary mixture:	Dosage:	Contamination:	Productivity:
1000 ml	Hot water high-pressure cleaners		6 ml/°dH m ³		6600 l
