

## Winter screen wash concentrate -60°C RM 670

Cleaning and frost-protection agent for window- and headlight-cleaning systems. Prevents the windscreen from freezing and guarantees a streak- and glare-free view.

### Properties

- Very efficient concentrate for windscreen washer in the winter months. 5 litres of concentrate yields up to 15 litres of windscreen washer fluid.
- Reliably prevents the windscreen washer from freezing up
- residue-free, streak-free cleaning
- Removes brake dust, tyre wear, winter salt deposits, snow and slush deposits.
- Reduces glare effects from scattered light
- Does not generate any stress cracks on polycarbonate and is also suitable for cleaning headlights, for example
- Can be mixed with water of all degrees of hardness thanks to the anti-lime formula. No calcification of the windscreen washer or blockage of spray nozzles.
- Suitable for flat jets
- Can be mixed with Kärcher summer windscreen cleaner. The tank does not need to be drained in the transitional period in autumn and spring.
- Pleasant, fresh citrus scent

### Application areas

- Vehicle windscreen washer

Container sizes	VE*	Part number
5 l	1	6.296-109.0

\*VE: packaging unit

## Application:

### Windscreen washer system

- Mix the winter windscreen cleaner concentrate according to the following conditions depending on the desired frost protection value and pour into the windscreen washer system. Up to -30 °C: 2 parts cleaner to 1 part water. Up to -20 °C: 1 part cleaner to 1 part water. Up to -10 °C: 1 part cleaner to 2 parts water. Have frost protection values with certain safety reserves so that in the case of local undercooling (e.g. due to very cold airstream) the nozzles of the windscreen and headlight washer system do not freeze.

### Instructions for use:

- Keep out of the reach of children

## Warnings and safety recommendations according to EC Directives:

- Danger
- H225 Highly flammable liquid and vapour
- H319 Causes serious eye irritation
- P101 If medical advice is needed, have product container or label at hand.
- P102 Keep out of reach of children.
- P210 Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
- P280i Wear eye/face protection.
- P305 + P351 + P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
- P337 + P313 If eye irritation persists: Get medical advice/attention.
- P403 + P235 Store in a well-ventilated place. Keep cool.
- P501a Dispose of contents/container in accordance with local/regional/national/international regulations.
