

PressurePro Machine Protector Advance 1 RM 110

Performance-conserving system care with calcification protection for all water-conducting parts of hot water high-pressure cleaners for use with medium and hard water.

pH 9
in concentrate

Made in Germany

NTA-free

Properties

- Comprehensive protection and care for hot water high-pressure cleaners
- Specially for devices with system care adaptation
- Effectively protects the heating coil from calcifying
- Tensides biodegradable in accordance with EEC 648/2004
- Quick oil and water separation in the oil separator (easily separable = asf)
- Phosphate-free
- NTA-free

Usage options

- Hot water high-pressure cleaners

Application areas

Agriculture	Transport and machines
Car dealership and garage	Car/engine wash
Building Industry	Transport and machines
Metalworking industry	Degreasing, phosphating
Industry	Surface degreasing
Municipal	Car/engine wash
Haulage contractors, bus operators	Car/engine wash
Machine protector	Machine maintenance, limescale protection

Technical data

Container sizes	Packaging unit	Part number
1 l	6 Piece(s)	6.295-625.0

Application

Hot water high-pressure cleaners

- Set the dosage according to the water hardness (done by service technician).

Instructions for use

- Store away from frost.
- Use only acid-proof spray units for application.

Further information

- Material Safety Data Sheet (MSDS)

Dosage and yield

Contents	Cleaning method	Dosage	Yield
1000 ml	Hot water high-pressure cleaners	6 ml/°dH m ³	8300 l
