

KÄRCHER

makes a difference

Coil Descaler

Coil Descaler quickly and safely removes hard water scale build-up that robs the performance of your pressure washer. Removing the build-up improves the water flow, heat transfer while reducing strain on the pump.

Benefits

- Saves Time
- Save Energy
- Reduce Equipment Service
- Environmentally Friendly - Phosphate-Free

Dilution Ratio: 1:16, 2 lb. makes 4 gallons.

Directions: INDUSTRIAL USE ONLY. Read Safety Data Sheet thoroughly before using. Pre-mix 8 ounces of Coil Descaler per gallon of cool water (1:16) (pH: 1.0 at dilution). DO NOT USE HOT WATER. The dilution may be varied depending on the amount of scale build-up. Mix in an acid-resistant container. Always add Coil Descaler to water, never the reverse. Circulate liquid mixture through coils for 2 to 3 hours, then flush with fresh water for 15 minutes. Wear rubber gloves and goggles. DO NOT allow Coil Descaler to flow through the high-pressure pump. Do NOT use on aluminum or tin.

Product Information

Part No.	Size	Gross weight	Dimensions (L x W x H) inches	Ship UPS
9.803-742.0	case of 12	2 lbs each	15.5 x 11 x 7.5	Yes

Safety

HMIS Safety Rating: Health	2
HMIS Safety Rating: Flammability	1
HMIS Safety Rating: Reactivity	0
Personal Protective Equipment	B

OSHA/WHMIS/GHS-Compliant SDS available, listed with Infotrac.

Technical Data

Color: White

Scent: Slight Detergent

Foam 1-5: 3 = Medium

Reaction in Hard Water 1-5: 5 = Best

pH at Full Strength (1% Solution): 1.48

pH at Use Dilution (1:16 Ratio): .98

Certifications

Kosher Certified: Use year round, not including Passover.

Smog & Ozone: in accordance with AQMD Rule 102, this product contains 0% photochemically reactive ingredients to contribute to smog or attack the earth's ozone layer.
