

AF 100

For optimum air quality in rooms up to 100 m²: The AF 100 mobile air purifier with a precise laser sensor, automatic mode and multiple filter types for different areas of application.

1 Five filter inlays for various applications

- Special filters for eliminating bacteria, allergens, odours and volatile organic compounds.

2 Compact design with high mobility

- Easy to move between rooms thanks to the unit's robust rollers.

3 Powerful motor for rooms up to 100 m²

- Fan with three speed settings.

4 Intuitive operation and simple maintenance

- Filter service life can be read off the display. Customers can replace the filter easily themselves.

AF 100

- Different filters for any application
- Precise sensor-based air quality measurement
- Robust rollers ensure excellent mobility

Technical data

		1.024-810.0
EAN code		4054278312088
Suitable room height	m ²	bis zu 100
Sound pressure level	dB(A)	max. 48
Current type	Ph / V / Hz	1 / 220-240 / 50-60
Rated input power / Amps	W	max. 80
Weight	kg	11.3
Dimensions (L x W x H)	mm	380 x 380 x 713
