Compact, robust and mobile

- Excellent stability, easy manoeuvrability and convenient transport thanks to its slimline form and 4 castors.
- The bumper offers secure all-round protection for the vacuum cleaner and equipment.

Excellent suction power

- NT Classic devices with a powerful 1,500 W turbine reliably remove a wide range of dirt.
- For excellent cleaning results.

Service and comfort

- Sensationally fast: The Easy Service Concept allows removal of the turbine in just 44 seconds.
- The rapid turbine change not only saves an enormous amount of time, but also costs.
