■ Included in delivery.

Exceptional filter cleaning

- Powerful pulsed air blasts move the dirt from the filter into the container at the push of a button.
- Suction performance is quickly restored.

Patented filter removal technology

- Quick and easy removal of the filter from the filter box - without contact with dirt.
- For wet and dry suction without changing the filter.

Hose storage on the device head

- The suction hose can be stored in a space-saving manner by hanging it on the device head.
- Intuitive securing mechanisms for left- and right-handed users.
