Exchangeable lithium-ion battery

- The battery run time can be selected according to the area to be cleaned.
- Fast and intermediate charging for longer operating times and higher productivity.
- Displays the remaining battery run time when sweeping.

Flat pleated filter with active suction

- Reduces the amount of dust created and provides a clean working environment.
- Filter replacement without tools.
- The manual filter shaker ensures the best sweeping result, even with fine dust.

Practical storage area

- Additional cleaning utensils can be carried on-board.
- Increases efficiency and saves you the extra effort.
- Coarse dirt can be collected and disposed of with ease.
