

KM 80 W P

The versatile KM 80 W P sweeper with is suitable for year-round use thanks to its range of accessories with tool-free assembly, e.g. snow blade or sweeping container.

1 Height-adjustable roller brush

- Easy regulation of the brush pressure.
- For adjusting when worn or for adapting to a particular surface.

2 Tilting of the roller brush

- Adjustment clip with locking for a fixed tilted position left and right.
- Tilting also possible with the optional snow blade.

3 Snow blade for use in winter

- Folding spring mechanism for optimal shock absorption.
- With gliding skids with four settings.

4 Waste container

- For direct dirt pick-up.
- The waste container can be easily adjusted when the roller brush is worn out.

KM 80 W P

- All-season usage
- Great agility and low space requirement thanks to its compact design
- Multi-functional applications based on exchangeable attachment sets like snow shield and dirt hopper.
