Users must receive training on this device.

## Powerful and fast

- Two high-speed rotating roller brushes with high contact pressure.
- Two suction lip strips soak up the water - either forwards or backwards.
- Floors dry very quickly.

## Low clearance height

- Reaches under furniture effortlessly.
- The push handle can be folded down in both directions.
- Removable tank - suitable for low lying objects.

## Service-friendly

- Squeegee and brush are easy to replace without tools.
- Water distributor strip is easy to remove and clean.
- All electrical components are quickly and easily accessible.
