Fast (5 minutes) disinfection with 2% RM 735

- Prevents and reduces the transmission of infections (incl. COVID 19).
- Improves health protection at work, reduces absences.

Powerful direction spray system

- More effective distribution and higher effectiveness than spray wiping methods.
- Perfect for areas and surfaces which are constantly re-contaminated.
- Ideal for difficult to reach areas as well as on complex surfaces.

Very low operating noise

- Very quiet with a noise level of only 45 dB(A).
- Suitable for noise-sensitive areas, can also be used at night.
