"Hy-Pure-Plus" combination filter	■

■ Included in the scope of supply.

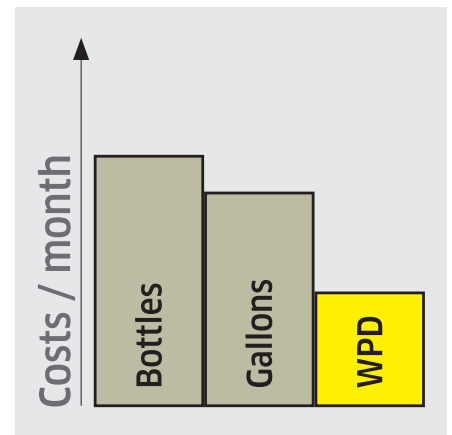

## Compact design.

- The perfect fit where there is limited available space.
- Intuitive operating concept with easy-to-read sensor buttons.
- Clearly recognisable dispensing area for optimal positioning of the drinking vessel.

## Powerful Hy-Pure-Plus filter comprising activated carbon filter and ultra filter

- The active-pure filter ensures the best taste and removes chlorine and heavy metals from the pipe.
- Ultrafilter protects against bacteria and viruses.
- Chemical cleaning of all water-conducting lines, the cooling module and water dispensing valve.

## Affordable enjoyment

- Easy access to all components enables self-service.
- Self-service saves unnecessary service work and therefore money.
- No handling and transport costs compared with gallons or bottled water.

## ACCESSORIES FOR WPD 50
