### 1 Power outlet for PW 30

- The integrated power outlet enables flexible use of the PW 30/1 without an additional power source.
- When not in use, the power outlet is effectively protected by an automatically closing flap.

### 2 Removable dirty water tank

- To protect against dirt, the waste water tank handle is attached to the outside.
- The dirty water tank is easy to remove and can also be used for filling the fresh water tank.
