

MCM 600

The MCM 600 mechanical street sweeper gives municipal councils and industrial users one system for all sweeping requirements – including situations that call for high sweeping capacities and zero dust dispersion.

Order no. 1.999-052.0

- Easy and intuitive operation
- High manoeuvrability thanks to all-wheel steering
- Many possible applications thanks to mechanical waste pick-up

Technical data

EAN code	4039784650817
Drive type	Diesel
Traction drive	Two-wheel drive
Motor manufacturer	VM
Displacement	cm ³ 4500
Cylinder	6
Fuel tank volume	l 220
Exhaust emissions standard	Euro 6c
Driving speed	km/h 0 – 40
Working width with 2 side brushes	mm 2400
Working width with 3 side brushes	3550
Waste container	l 6000
Fresh water tank	l 500
Wheelbase	3230
Permissible total weight	kg 13000
Dimensions (L × W × H)	mm 5450 × 2155 × 2920

This machine requires instruction.

Equipment

Waste container l 6000

■ Included in the scope of supply.

Synchronised all-wheel steering

- High sweeping accuracy also when turning thanks to optimal manoeuvrability.

Ergonomic and comfortable cab

- Complete control in all work phases and excellent driving conditions.
- With 3 authorised seats without centre tunnel for easy entry.
- Meets the highest standards in the area of ergonomics, safety and comfort.

Patented hydraulic system

- For the automatic regulation of the ground pressure of the central brush.
- Ensures constant brush load on the ground on all surfaces.
- For maximum sweeping accuracy and minimum wear of the brush.
