Switchable dry floor nozzle

- It has an ergonomic foot switch to quickly and easily adjust the floor nozzle for different floor coverings (e.g. carpet or laminate/parquet).
- The symbols for carpet and hard floor, familiar from dry vacuum cleaners, make it very easy to select the right setting.

Including parking clip (can only be used for WD vacuum cleaners)

- Can be attached to the floor nozzle if desired.
- Designed for quick and easy intermediate parking of suction tube and nozzle during working interruptions.
