Washing recommendation	°C	60
Quantity	Piece(s)	1
Weight per product / Weight per m ²	kg	0.1
Package weight	kg	0.1
Dimensions (L × W)	mm	400 / 150
Dimensions, packaged	mm	400 × 150 × 15

Application

Spray method

Preconditioned method

For optimum results, dampen the mop with cleaning water amounting to 180 % of its own dead weight.

Bucket method

For optimal moisture and a single-step wiping process, dip the mop fully into the cleaning water, allow it to absorb as much water as possible and then wring it out in the press.

Properties

- Quick and easy attachment and detachment of wiping cloths
- Safe: the mop remains secured with an anti-slip device
- Time-saving: thanks to the large cleaning surface and the option to reach corners and clean under furniture
- Effective: polyester removes grease and stubborn dirt without damaging the surfaces

Washing instructions

- Do not wash with other textiles
- Do not use bleach, softener or strongly alkaline detergents
- Washing or drying at high temperatures can damage the fibres
- Thoroughly rinse the textile before washing it
- Please do not dry in the dryer
