VACUUM ALL FLOORS QUICKLY WITH THE STAND-ON CHARIOT™ IVAC.

The reliable, durable, serviceable vac with HEPA filtration.
Imagine how easily and quickly you can vacuum with a Chariot™

Vacuum areas of hard and soft floors quickly with the Chariot™ 2 iVac 24 ATV. This vacuum is a high-performance, multi-surface cleaning HEPA stand-on commercial vacuum designed for increased productivity and maneuverability on hard and soft floors. In applications where a sweeper, wide-area vacuum or dust mop can be used, the Chariot™ 2 iVac ATV HEPA vacuum is all you need.

1 Productive
- Design and size that provides remarkable maneuverability, and best-in-industry 360° visibility
- Chariot™ stand-on productivity
- 24-inch cleaning path is the right-size for multiple applications
- Increase your productivity in applications where a sweeper, wide area vacuum, back pack vacuum or dust mop are currently utilized

2 Easy to use
- Simple, intuitive control panel
- Battery operated, reducing trip and falls while increasing productivity
- Easy no-tool removal of the universal counter-rotating brushes
- Convenient on-board tool storage compartment

3 Versatile
- Vacuums carpet, tile, wood, concrete, stone, rubber, VCT
- HEPA filtration standard
- Captures large debris in a vacuum tray, preventing clogs
- Standard 10-foot hose and hand tools for off-aisle cleaning
- 68 dBA, quieter than a traditional wide-area vacuum with the same pick-up and performance
## Technical data and equipment.
