Cleaning agents: Multipurpose Floor Cleaner 16.91 fl oz

Includes storage station

Battery charger

Cleaning brush

Equipment

Roller rotation and volume of water can be adjusted

2-tank system

Floor head with integrated LEDs

Self-cleaning mode

[1] The Kärcher hard floor cleaners achieve up to 20% better cleaning performance compared to a conventional wiping mop with a wiping cloth cover in the "Wiping" test category. Refers to average test results for cleaning efficiency, dirt pick-up and edge cleaning. [2] The Kärcher hard floor cleaners save up to 50% of the time required for cleaning, as hard floors can be cleaned in a single step when they are covered in normal household dirt, eliminating the need for vacuuming before mopping. [3] When cleaning with direct contact with the surface to be cleaned, up to 99.9% of all common household bacteria on common household smooth hard surfaces are killed (test germ: Enterococcus hirae). According to the 4-field test (based on DIN EN 16615:2015-06). [4] Sound pressure level compared to Kärcher FCV 3 and FCV 4 with 65 dB(A). Preceived volume doubles with a 10 dB(A) increase. Based on internal tests.

2-in-1: removes everyday dirt in just one step

- 50 per cent time saving[2]: Duo!Move technology with two counter-rotating pairs of rollers enables thorough wiping without tedious vacuuming beforehand.
- Optimum hair pickup by means of integrated hair filter.
- Unlike the competition, a Kärcher can clean right up to the edges of walls and baseboards

Wiping is 20%[1] cleaner than using a wiping mop and significantly more comfortable.

- 2-tank system with Hygienic!Spin+: permanent wetting of the rollers from the fresh water tank while the dirt is collected in the dirty water tank. For up to 99.9%[3] bacterial elimination.
- Effortless: No dragging a bucket around, no wringing, no scrubbing
- Pure!Roll rollers are machine-washable at 140 °F.

Can be tilted 180°, easy to maneuver and self-standing

- Easy cleaning around objects and under furniture thanks to flexible swivel joint and 180° Pass!Under design.
- Two counter-rotating Duo!Move pairs of rollers ensure gentle and effortless gliding over the floor.
- Practical for work interruptions: Device stands alone.
