

KÄRCHER

makes a difference

CUSTOMIZED MOBILE CLEANING

An customizable pressure washer trailer for on-site cleaning.

PROFESSIONAL | TRK-6000 AND TRK-3500

TRK-6000, TRK-3500

TRK-6000 - shown with options and gas-powered hot water pressure washer; accommodates both gas and diesel-powered pressure washers. Tool box shown is no longer available on this unit.

TRK-3500 - shown with options; accommodates gasoline-powered pressure washers only.

Customizable mobile solution.

Kärcher has made customizing a mobile wash system for on-site cleaning as easy as 1-2-3:

1. Choose from 3 rugged trailers—the dual-axle TRK-6000 with 330-gallon water tank or the single-axle TRK-3500 or TRK-2500 with 200-gallon water tank.
2. Choose a compatible skid-mounted hot water pressure washer.
3. Customize your trailer with a broad selection of options and accessories, such as hose reels, chrome coverings, etc.

1 Smart features

- Electrical wiring is recessed within the tubular frame.
- Lighted license plate holder and recessed tail lights.
- Two 3-way ball valves for easy switching of the water flow from the holding tank to a faucet.
- Electric brakes and break away kit

2 Outstanding mobility

- 1,500 lb.-rated swivel jack with a 2-5/16-inch ball coupler for quick and easy hook up of the trailer.
- Wheel and axle assembly has an industrial undercarriage leaf-spring suspension of up to 3,500 lbs. per axle and 15-inch, white-spoke wheels (TRK-6000 above shown with optional chrome wheels and fenders).

3 Powerful and durable

- Extra-rugged 2-by-3 inch structural tubing is covered with a powder-coated epoxy black finish for all-weather protection.
- Durable steel cage for holding the tank and pressure washer in place.
- High-density, polyethylene water tank with 12-inch access port, 1-1/2-inch drain valve, 3/4-inch float valve and a 50-mesh inlet filter; two 5/16-inch chains for additional safety.

Technical data and equipment

TECHNICAL DATA

Model	Part No.	Axle	(GVWR) lbs.	Water Tank (Gallons)	Ship Weight (lbs)*	Ship Dimensions (L x W x H) Inches
TRK-6000	1.103-807.0	Tandem	6000	330	1980	185 x 82 x 65
TRK-3500	1.103-806.0	Single	3500	200	840	123 x 76 x 70

*Trailer and water tank only

OPTIONS (FIELD INSTALLED)
