

# KÄRCHER

makes a difference

## **BATTERY OPERATED RIDE-ON SCRUBBER FOR LARGE AREAS.**

Suited for large cleaning applications.

**PROFESSIONAL** | B 90 R ADV BP

# Everything you could ever wish for.

The ride-on B 90 R scrubber is everything you ever dreamed of. Features such as the working width, squeegee length, design and scrubber system can be selected to suit individual requirements. The machine is then tailor-made to suit your specific requirements.

## 1 Customize the B 90 for your needs

- Three working widths are available: 22", 26" and 30".
- Curved or straight squeegee bars are available.

## 2 Simple to operate and simple to maintain

- Everything is controlled by one easy-to-use switch
- Cylindrical brushes save water and detergent.
- The brush heads are easy to replace and do not require tools

## 3 Long operation time

- Large battery capacity
- Two turbine power settings – save energy in the WHISPER setting.

# Technical data and equipment.
