

KÄRCHER

makes a difference

CONVENIENT, QUIET AND DEPENDABLE.

Cold water wall mounted and hand held direct-drive pressure washers.

PROFESSIONAL | HD WALL MOUNTED AND HAND HELD

HD Wall Mounted

Convenient and quiet.

Kärcher's wall-mount unit has a durable steel frame, uses a quiet 1725 RPM motor, and is perfect for in-shop uses. A remote on/off switch with a 10' electrical cord allows the machine to be mounted high on a wall away from backspray. ETL certified to UL and CSA safety standards.

Shown with optional wall mount bracket part no. 8.920-952.0

HD Hand Held

Lightweight and dependable.

These light-industrial hand held units are significantly more rugged than typical consumer substitutes and are built with durable steel frames. Hand-held models come with a dependable axial pump, high pressure hose, a stainless steel wand and detergent injector with brass soap nozzle.
