K 2.360 CCK

Cleaning your vehicle has never been so easy or fun! This lightweight, com- pact electric pressure washer delivers more than 30 times as much pressure as your garden hose, making it the perfect tool for keeping your vehicles clean of dirt and mud, in addition to easily cleaning your sidewalk, patio, driveway and deck. Attach the included Vario Power Spray (VPS) wand to easily clean a wide variety of surfaces. Simply dial up the right amount of pressure for the job! For more intense cleaning, attach our patented DirtBlaster® spray wand, which increases the effective pressure by up to 50%! This unit also features a five-piece Clean Kit, consisting of a dual purpose sponge, bristle brush, rim brush, Vehicle Wash & Wax detergent and an accessory bag, all created to work in tandem with your K 2.360 pressure washer. This personal car wash system is perfect for quickly obtaining a lustrous shine with less effort than using a garden hose and bucket. The K 2.360 CCK (Car Care Kit) is an ideal choice for those who frequently wash cars, trucks, SUV's, boats, motorcycles, bicycles, as well as home exteriors and more. Certified by CSA International.
