

ONE MACHINE, ONE PURPOSE, ONE TOTALLY CLEAN ENVIRONMENT

The Compass™ 2 touchless restroom cleaner creates impressive results.

One machine, one purpose, one totally clean environment.

If you want spotless restrooms the only one way to do it hygienically is with the Compass™ 2. This is a specialty machine dedicated to touchless cleaning. This design removes soils and bacteria while increasing safety. The increased productivity of this design will save you time and labor costs. Surfaces dry in one third of the amount of time when compared to traditional methods, resulting in a safer environment for guests and employees.

1 Touchless cleaning

- State-of-the-art touchless cleaning design allows the operator a clutter-free work station, while providing easy access to tools, chemicals and accessories

2 Hygienic

- Daily cleaning will completely remove soils and bacteria, leaving your facility "Compass Clean™"

4 Safety

- Safely and accurately dispenses cleaning solutions at a safe pressure, then it rinses at low or high pressure and vacuums the surfaces completely dry in 1/3 less time than conventional cleaning methods.
- Unique features of the Compass™ 2 allow the operator to clean multiple surfaces easily and safely while increasing productivity, saving time, and reducing labor costs.

Technical specifications and order numbers.
