

KÄRCHER

makes a difference

CLEANER AIR AND CLEANER FLOORS.

14 and 18 inch upright vacuums, now standard with HEPA.

The sanitary choice that lasts.

The Versamatic HEPA combines the legendary performance and reliability of the Versamatic with HEPA grade filtration. For over 35 years we have been building the longest lasting most durable vacuums on the market. The Versamatic HEPA will ensure the life of your carpet and to improve your indoor air quality with it's standard HEPA filtration. Make the investment in a quality dual-motor machine to increase your productivity for years of trouble free service. Precision engineering and durable construction enable this vacuum to withstand years of daily use.

Sturdy and robust

- Electronic clutch-protects motor and belt
- Lower total cost of ownership
- Deep cleaning two-motor vacuuming power

Breathe easier

- HEPA filtration is standard
- Meets CRI standards for indoor air quality
- Large, easy to replace exhaust filter

Flexibility to get the job done

- Detachable hose for quick and easy detail vacuuming
- 40-foot power cord with strain relief
- Pile height adjustment control
