

ALWAYS READY.

This push sweeper never needs to be charged or plugged in, making it available whenever needed.

Ready to go whenever you need it.

Speedy sweeping and painless maintenance rolled into one convenient package. The Radius Manual provides superior sweeping performance in a compact manual push sweeper. It is built to be rugged and durable for long life.

1 Fast and efficient

- Push sweepers are the easy way to clean paths, halls, sidewalks and warehouses quickly and conveniently
- Main broom is driven by both wheels so that it sweeps equally well in either right or left turns

2 Built to last

- Rugged metal pinion drive for long life
- Durable design

3 Easy to use

- Height of roller brush can be easily adjusted in five positions by a knob on the handle
- Ergonomic, easily adjustable handle for operator comfort. Can be folded completely flat for space-saving storage.
