* The Kärcher floor cleaners achieve up to 20% better cleaning performance compared to a conventional mop with wiping cloth cover in the "Wiping" test category. Refers to average test results for cleaning efficiency, dirt pick-up and edge cleaning. ** The Kärcher floor cleaners can halve your cleaning time, since common household dirt can be removed from hard floors in a single step, doing away with the need to vacuum before mopping.

All-in-one: Removes all kinds of dry and wet everyday dirt in a single step

- 50 percent time saving**: Four-roller technology enables wiping without the tedious job of vacuuming beforehand.
- Optimum hair pickup by means of integrated hair filter.
- Cleans right up to the edge.

Wiping is 20 per cent* cleaner than with a mop and much more convenient

- 2-tank system: Permanent wetting of the rollers from the fresh water tank while the dirt is collected in the waste water tank.
- Effortless: No dragging a bucket around, no wringing out the floor cleaning cloth by hand, no scrubbing.
- Rollers are machine-washable at 60 °C.

Two different cleaning modes plus boost function

- Roller rotation and amount of water can be adjusted depending on the type of dirt and floor, additional Boost function for stubborn dirt.
- Suitable for all hard floors – including parquet, laminate, stone and ceramic tiles, PVC and vinyl.
- Low residual moisture means that floors can be walked on again after approximately 2 minutes.

ACCESSORIES FOR FC 7 CORDLESS 1.055-730.0

		Order no.	Description
