

## SV 7

Steaming, vacuuming and drying in a single pass - the SV 7 steam vacuum cleaner combines multifunctionality and maximum convenience in one device!

### 1 3-in-1 device

- Steaming, vacuuming and drying in a single procedure.

### 2 Multi-stage filter system

- Water, coarse dirt, foam and HEPA filters (EN 1822:1998) remove even the smallest particles.

### 3 Convenient floor nozzle

- Quick and simple changeover for 3 different applications on all hard floors and carpets.

### 4 Easy operation

- The suction power can be controlled on the handle and the steam flow regulated on the device.

## SV 7

- 2-tank system for continuous use
- Steaming, vacuuming and drying in a single procedure
- Multi-stage filter system
