Kärcher ReBoost filter cleaning technology – filter cleaning at the touch of a button

- For high and long-lasting suction power.
- Suitable for vacuuming large quantities of dirt.

Single-part filter system (flame-resistant) with robust flat pleated filter and metal coarse dirt filter

- To easily drain and clean the container without coming into contact with dirt.
- Extremely high level of comfort thanks to the fast filter removal in just one step.

Flame-resistant material, metal container and metal hose (jacketed)

- For maximum safety while vacuuming ash – even when used incorrectly.
