

CA 10 C Extra Sanitary Deep Cleaner

Floor cleaning

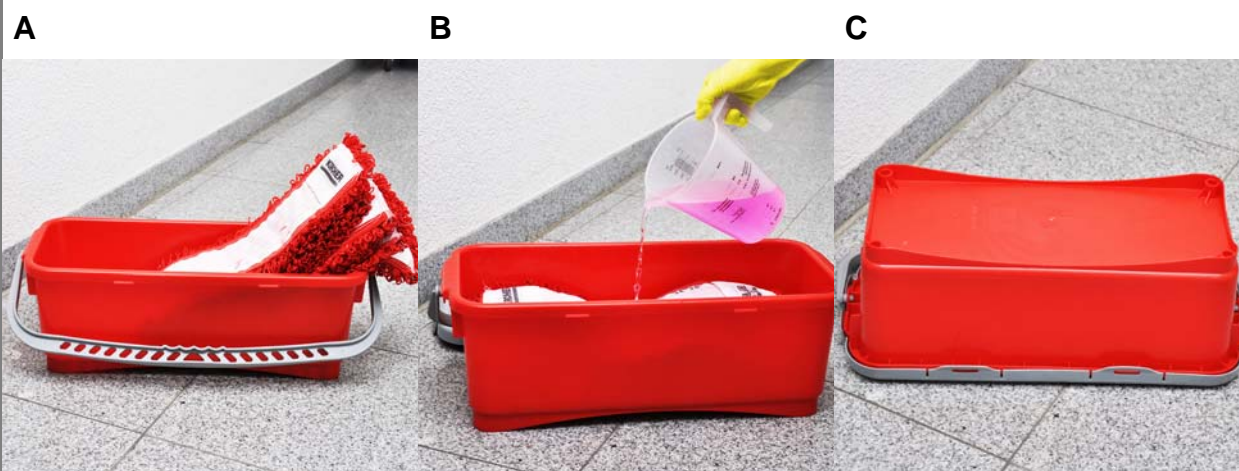

Warning

These are only brief instructions! Read the product information sheet and adhere to the safety instructions on the product label prior to using the detergent. Follow the dosing instructions on the product label.

The non-compliance with safety instructions may lead to damages of the object to be cleaned and to dangers for the environment, the operator and other persons.

Preparation

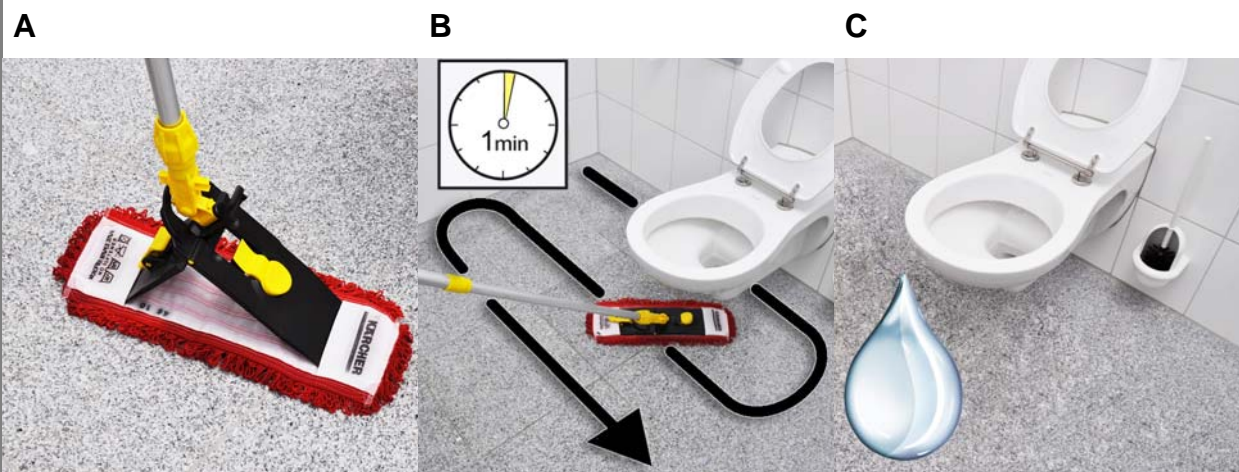

1

- A Place red mops into the bucket (10 to 15 pcs).
- B Pour the sanitary basic cleaning solution onto the mops. Dosage: 100 ml/l. 1l detergent solution / 10 - 15 mops
- C Close the lid tightly, turn the bucket around and let the detergent solution soak in.

Cleaning

2

Caution

Risk of damage! Do not use the sanitary basic cleaner on surfaces that are sensitive to acids! Pre-moisten crevices.

- A Fasten the mop in the holder.
- B Apply detergent solution and let it soak in.
- C Neutralise the surface with clear water and then absorb the water.

After cleaning

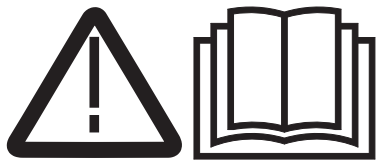

3

- A Place the used cleaning supplies into the laundry bag.
- B Wash and dry the bucket. Prepare new mops if needed.

CA 10 C Extra Sanitary Deep Cleaner

Cleaning toilets

Warning

These are only brief instructions! Read the product information sheet and adhere to the safety instructions on the product label prior to using the detergent. Follow the dosing instructions on the product label.

The non-compliance with safety instructions may lead to damages of the object to be cleaned and to dangers for the environment, the operator and other persons.

Preparation

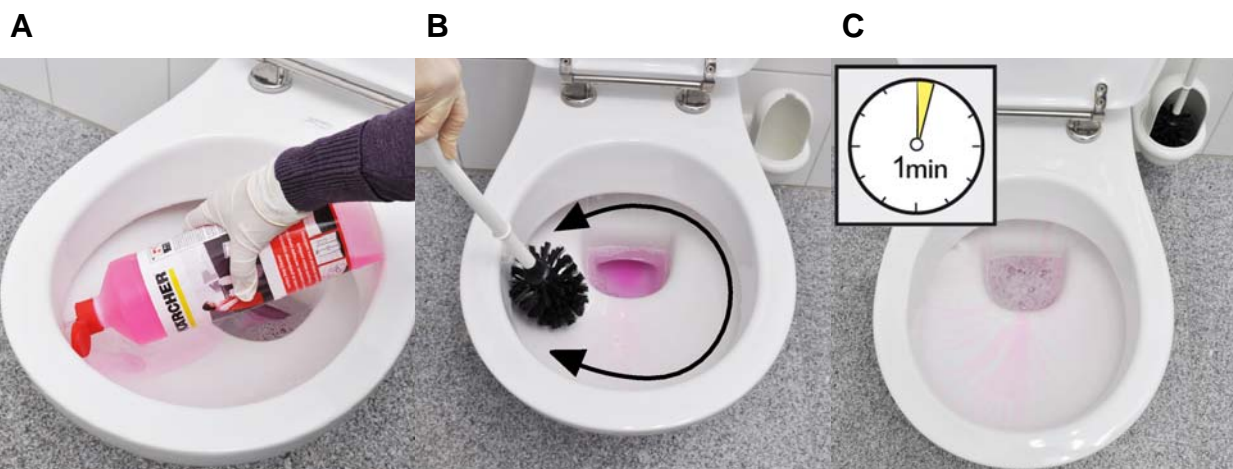

1

A Rinse the toilet, remove coarse dirt.

Cleaning

2

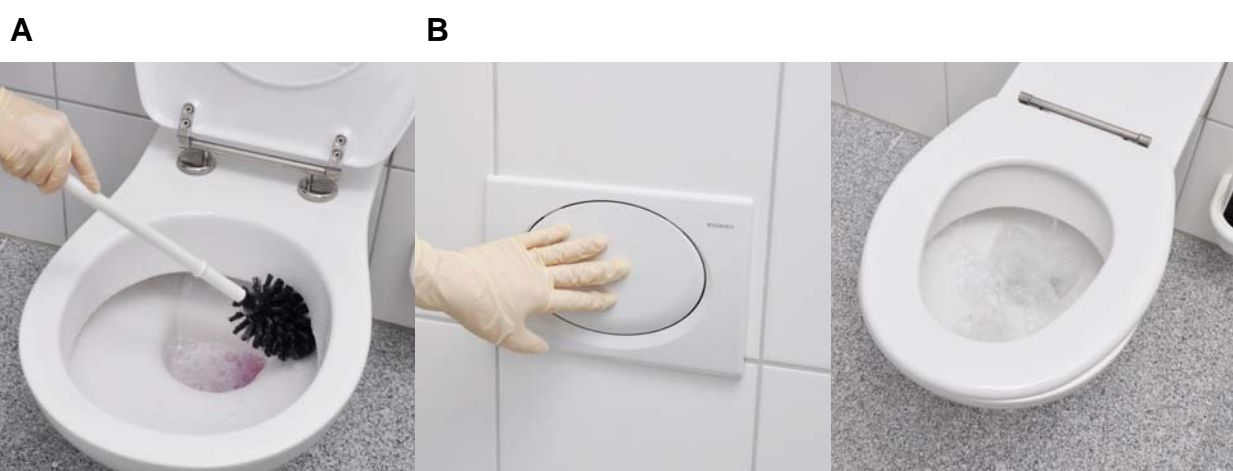

⚠ Caution

Risk of damage! Do not use the sanitary basic cleaner on surfaces that are sensitive to acids! Pre-moisten crevices.

- A Apply undiluted sanitary basic cleaner directly underneath the rim of the toilet.
- B Spread the sanitary basic cleaner uniformly with the toilet brush.
- C Let the sanitary basic cleaner soak in.

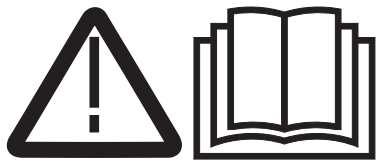

Cleaning

- A After letting the solution soak in clean off the surface with a toilet brush.
- B Flush the toilet.

CA 10 C Extra Sanitary Deep Cleaner

Mopping with a bucket

Warning

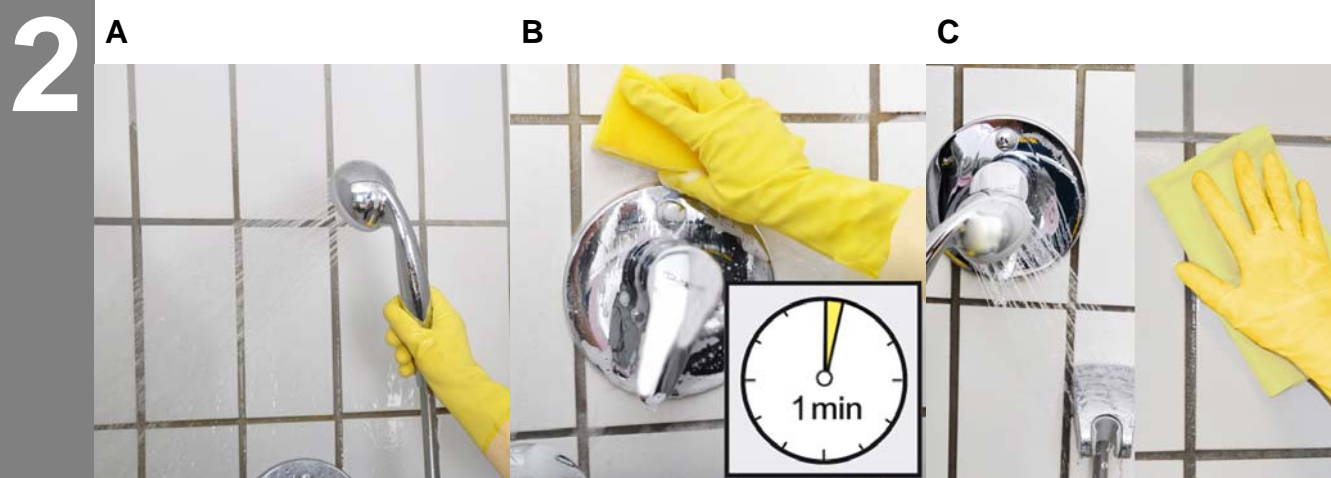

These are only brief instructions! Read the product information sheet and adhere to the safety instructions on the product label prior to using the detergent. Follow the dosing instructions on the product label. The non-compliance with safety instructions may lead to damages of the object to be cleaned and to dangers for the environment, the operator and other persons.

Preparation

- A Fill the bucket with water.
