

CA 20 C Sanitary Everyday Cleaner

Floor cleaning

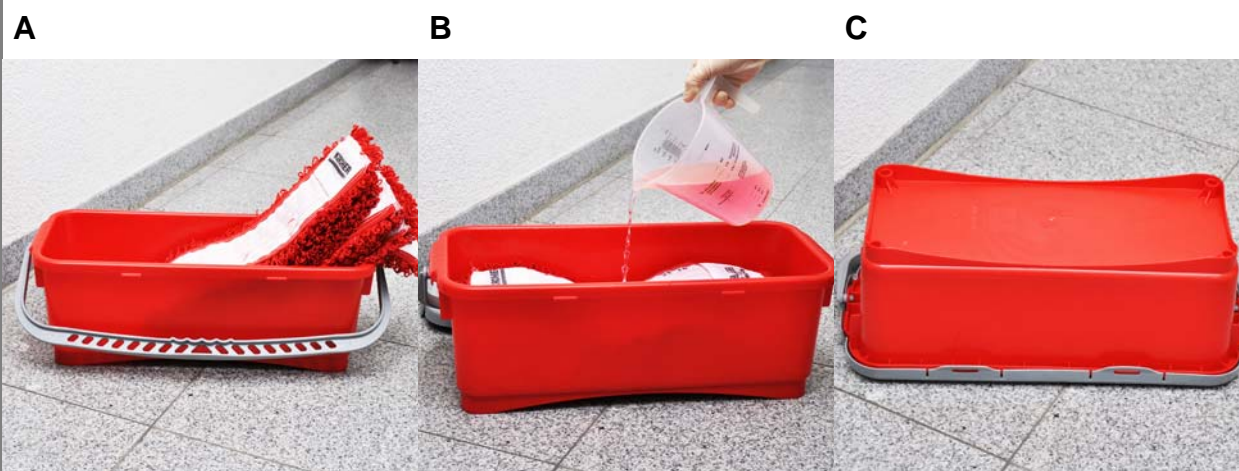

Warning

These are only brief instructions! Read the product information sheet and adhere to the safety instructions on the product label prior to using the detergent. Follow the dosing instructions on the product label.

The non-compliance with safety instructions may lead to damages of the object to be cleaned and to dangers for the environment, the operator and other persons.

Preparation

1

- A Place red mops into the bucket (10 to 15 pcs).
- B Pour the sanitary household cleaning solution onto the mops. Dosage: 10 ml/l. 1l detergent solution / 10 - 15 mops
- C Close the lid tightly, turn the bucket around and let the detergent solution soak in.

Cleaning

2

Note

Before cleaning, remove any coarse dirt from the surface.

- A Fasten the mop in the holder.
- B Clean the floor evenly.
- C If necessary wipe the surface with clear water.

After cleaning

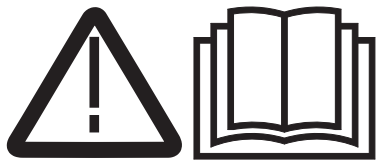

3

- A Place the used cleaning supplies into the laundry bag.
- B Wash and dry the bucket. Prepare new mops if needed.

CA 20 C Sanitary Everyday Cleaner
