

CA 20 R Sanitary Everyday Cleaner

Mopping with spray bottle

Warning

These are only brief instructions! Read the product information sheet and adhere to the safety instructions on the product label prior to using the detergent. Follow the dosing instructions on the product label.

The non-compliance with safety instructions may lead to damages of the object to be cleaned and to dangers for the environment, the operator and other persons.

Cleaning

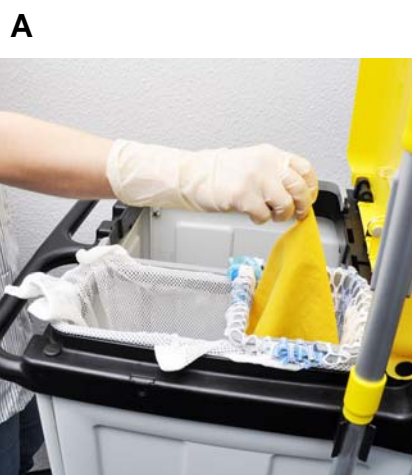

1

- A Spray the sanitary household cleaner on the cloth one to three times.
- B Clean the surface with the cloth.
- C Spray off loosened dirt with water. Dry and polish the surface if necessary.

After completing the cleaning

2

- A Place the used cleaning supplies into the laundry bag.
