

KÄRCHER

makes a difference

POWERFUL YET COMPACT SPRAY EXTRACTION MACHINE.

For cleaning small areas of carpet.

Puzzi 8/1 C

Offering the best results.

The Puzzi 8/1 C is a powerful entry-level spray extraction machine. The spray extraction machine can be used for upholstery cleaning or for removing stains on carpets. Because an extremely small amount of residual moisture remains after cleaning, cleaned carpets and upholstery can be quickly used again. Equipped as standard with a spray vacuum hose and ergonomic hand nozzle.

1 Low weight

- At 9.8 kg, the Puzzi 8/1 C is easy to carry and 35% lighter than the competition. Ideal for intermediate cleaning, thanks to rapid drying. Easily transported, even over obstacles and stairs. Integrated carrying handle for transport with one hand.

2 Compact design

- The Puzzi 8/1 C also shows its strengths when cleaning upholstery and vehicle interiors. Compact, space-saving design.

3 Convenient handling and good accessibility

- Easily removable dirty water tank, easy disposal of dirty water and refilling of the fresh water tank.
