

HOTSY CLEANING SOLUTIONS BREWERIES

We've been cleaning specialists in the **brewery industry** for **over 40 years.**

Because cleanliness, sanitization and disinfection are paramount in any food processing environment, Hotsy pressure washers pay for themselves by providing quick and easy cleaning of all surface areas in your production facility. A Hotsy can also keep all of your material handling equipment clean and safe.

- Choose from over 80 models
- Hot water gas engine machines built to be easily bolted to trailers or truck beds
- LP and Natural gas stationary units for equipment rooms and wash bay applications
- Portable oil fired units for multiple locations
- Heavy welded steel frame and chassis; durable powder coat paint resists years of corrosion and rugged use
- Gas engine belt drive units will draw water 12-ft to themselves; easily adapted to water tanks, water trucks and ponds
- Designed and built to use with high-pressure detergent for heavy-duty, caked-on dirt, grease and grime
- Hot water cleans best and Hotsy is North America's #1 Name in High-Pressure Cleaning Systems

Hotsy pumps carry a 7-year warranty and a 5-year heater coil warranty. All Hotsy models are ETL-Certified to rigid UL safety standards.

ACCESSORIES

Clean Better with Hotsy Detergents

Hotsy pressure washers and parts washers clean best when matched with specially formulated Hotsy detergents. More than 40 liquids and powders meet every cleaning need imaginable. Nearly all contain Hotsy's exclusive advanced-formula HCC additives to help prevent scale build-up and to fight corrosion in your equipment. Most Hotsy detergents are USDA and Canadian Agriculture approved. All are highly concentrated, so a little goes a long way.

Outstanding Local Service

Hotsy has more than 160 local distributors in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Over 80% of Hotsy's distributors have been supporting Hotsy systems for more than 30 years.

Rely on our network of seasoned service professionals for the safest, most effective and most efficient solution to your specific cleaning need.
