

KÄRCHER

CRUSH THE TOUGHEST DIRT.

Higher cleaning performance with the electric-powered and diesel-heated Mojave hot water pressure washer.

PROFESSIONAL | MOJAVE SERIES

MOJAVE SERIES

Premium model pictured

Robust and innovative.

The Kärcher Mojave series is the perfect all-around machine for a variety of applications such as agriculture, automotive, and transportation. The Mojave delivers the highest performance for best cleaning results - all combined in a robust package. Innovative features engineered with high quality components make for a product able to withstand harsh working conditions.

New, innovative, features and upgrades

- Auto start/stop is standard
- Equipped with EASY!Force trigger gun, hour meter, status LED, crane hook, and other upgraded features
- Steam stage, longlife hoses, and stainless steel side panels included on Premium units

1 Higher performance, highest efficiency

- Best in class with 91% burner performance and 25% fuel savings.
- Higher cleaning performance due to increased water temperature (>135°F temp. rise).
- Industrial motors optimized for voltage deviations.
- Large diesel tank (10 gal) for longer hot water operation.
- Low water/dry run pump protection.

2 Robust and innovative

- Very robust cage frame with 12" non-flat wheels, casters with brakes, and removable side panels.
- Excellent mobility including a crane hook for loading of the machine.
- Two water filters for maximum machine uptime.
- Dispensing system for Kärcher coil and pump protectant included.

3 More features, more options

- Hour meter included on operator's panel.
- Single dial operation with scale up to 230°F on Standard units and up to 311°F steam stage on Premium units.
- Operators panel with LED status lights for faster service.
- Wand and hose holders included.
- High pressure soap injection with precise metering system.

4 Accessories with best ergonomics in the market

- EASY!Force trigger gun with zero holding provides maximum user comfort during hours of continuous use.
- Kärcher Power nozzle with 40% higher cleaning performance.
- Hose reel bracket kit available for pivoting hose reel to be mounted on top of the machine.

Technical data and equipment.
