

# KÄRCHER

makes a difference

## A WASHER FOR EVERY INDUSTRY.

Choosing a hot or cold water pressure washer.

# THE ADVANTAGE AT A GLANCE

Choosing the right pressure washer for the job.

## HD vs HDS

### HD - Cold Water Benefits

- Removes dirt
- Easy-to-use for anyone
- Lower initial investment
- Lower service and repair costs

### HDS - Hot Water Benefits

- Removes sticky residue, grease, oil
- Cleans and dries faster
- May be more effective at reducing and killing germs

## Electric vs Gas / Diesel Powered

### Electric Benefits

- No exhaust - can be used indoors or outdoors
- Less maintenance
- Quieter
- Run-time not limited by tank size

### Gas / Diesel Benefits

- Portable - can move machine to the job
- Easy to obtain fuel

## Direct Drive vs Belt Drive

### Direct Drive Benefits

- Pump is driven directly by engine
- Compact design
- Fewer moving parts - so lower initial cost

### Belt Drive Benefits

- Pump is driven by belt
- Longer life - Less vibration, lower RPM, lower operating temp
- Better for heavy use applications

## OUR MOST POPULAR

### HDS CAGE - Direct Drive

### TULE SERIES HDS 3.5/40 GE MT - Direct Drive

### HDS P/PE CAGE - Direct Drive

### HD SERIES ELECTRIC

### HD SERIES GAS
