

Supplier declaration “substances and materials” according to Kärcher standard KN 050.032**

The Kärcher group, consisting of Alfred Kärcher SE & Co. KG and its affiliated companies, puts great emphasis on environmentally friendly products. In the KN 050.032 you find a list of prohibited and declarable substances, which must not be included respectively must be declared in products, materials and resources which are delivered to the Kärcher group.

If the Supplier intends to request any deviation from the obligations required in the Kärcher standard KN 050.032, the Supplier will immediately notify Kärcher of this request. The Supplier will not deviate from the Kärcher standard KN 050.032 unless the deviation was expressly approved by Kärcher in advance in writing (including email, fax, digitally signed documents or other text forms).

Confirmation / Declaration:

We, the Supplier, confirm that we have taken note of and we will comply with the Kärcher standard KN 050.032 and that the materials and products supplied to Alfred Kärcher SE & Co. KG, its affiliated companies or to third parties appointed by those do not contain substances:

- a. which are prohibited or to be declared by the Kärcher standard KN 050.032,
- b. whose placing on the market is prohibited by current legislation and by legislation being valid at the date of delivery.

It is agreed that this can be confirmed and declared by means of a simple electronic signature (using Adobe Sign or DocuSign).
