KÄRCHER

SWEAT THE SMALL STUFF.

This compact disc scrubber is perfect for busy, congested areas.

PROFESSIONAL | BD 30/4 C BP

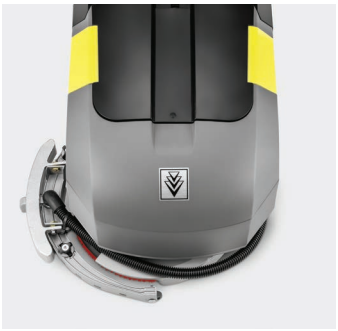

Agile, compact and perfect for cleaning congested areas.

When you manage a small, congested facility you are faced with the challenge of manually cleaning around furniture and other tight areas. The BD 30/4 C Bp is the solution you have been hoping for. Get professional results every time with this compact scrubber. It fits anywhere you need to clean–in and around furniture, in narrow hallways and more.

1 Designed for busy areas and daytime operation

- Right-sized for cleaning tight, congested areas
- 100% water pickup in the corners, leaving your floors safe & dry
- eco!efficiency mode for quiet daytime operation
- Our innovative design allows for backwards scrubbing

2 The solution for everyone

- Adjustable handle for optimal ergonomics for every user
- Professional results every time

3 Always ready to use

- Quick setup time
- Lithium-ion battery with one hour runtime
- Fast-charging in only two hours

4 Efficient and reliable

- Scrub forwards and backwards
- Impressive productivity of 6,790 square feet per hour from this compact machine
- Easily clean tight and congested areas due to its compact design
- Constructed of high-quality parts including an aluminum brush head and an EC motor for maximum reliability

5 Easy to store and transport

- Extremely compact dimensions 22" x 15" x 41" (LxWxH)
- Very light at only 44 pounds
- Folds down flat for easy storage
- Large wheels for effortless maneuverability over stairs and other obstacles
