

KÄRCHER

VEHICLE WASHES FOR YOUR BUSINESS

System solutions for private investors.

PROFESSIONAL | PRIVATE INVESTORS

EFFICIENT SOLUTIONS FOR YOUR REQUIREMENTS

Scenario 1

SB MB

The SB MB enables efficient manual self-service washing with precise detergent dosing. In combination with the WRB Bio, waste water is biologically purified and recycled, and resources are conserved – for all-round professional vehicle care.

Scenario 2

CW 3 Klean!Star

The CW 3 Klean!Star offers maximum efficiency and economy thanks to its versatile equipment. CareTouch brushes and high-pressure systems ensure fast, first-class washing results. The WRB Bio enables biological waste water purification – for efficient vehicle care and satisfied customers.

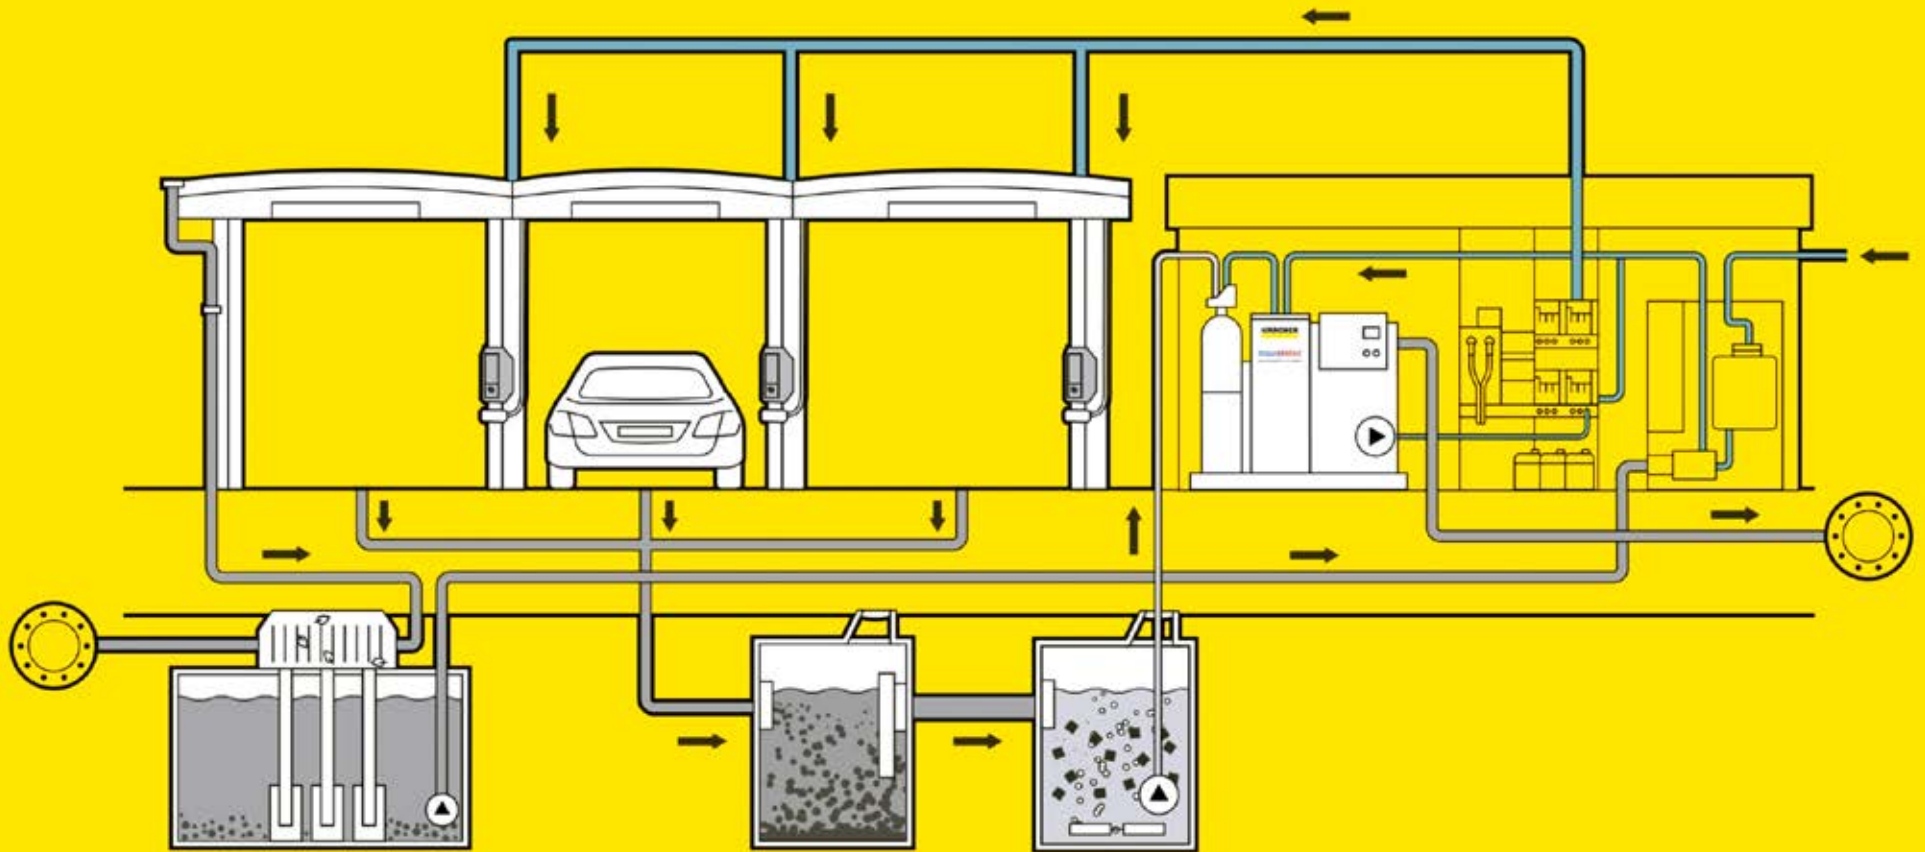

Scenario 3

CW 5 Klean!Star iQ

The CW 5 Klean!Star iQ impresses even the most demanding customers with its state-of-the-art technology and versatile programmes. Acquire new target groups with a high-quality brush wash or touchless wash programmes. Thanks to the WRB Bio, waste water is purified biologically.

REDUCE CONSUMPTION WITHOUT REDUCING PERFORMANCE

SCENARIO 1

SATISFIES ANY REQUIREMENT

Combine efficiency and
cost-effectiveness at your site.

INDIVIDUAL. POWERFUL. EFFICIENT.

Clever use of resources ensures excellent washing results, conserves water and protects the environment.

- Flexible, modular design for different site requirements
- Precise dosing of detergents for optimum results
- Biological waste water purification with the WRB Bio
- Cold water operation for up to 70% energy savings

SCENARIO 2

A white Mercedes-Benz SUV is shown from the rear, positioned in a car wash. A large, dense rotating brush is cleaning the vehicle, creating a significant spray of water and foam. The car's rear window, taillights, and the Mercedes-Benz logo are visible. The background is dark, suggesting an indoor car wash environment.

PERFECT CARE PLUS PROFIT

Are you looking for a
high-quality all-rounder?

QUICK. EFFICIENT. ELEGANT.

The flexible solution that fulfils the most important requirements for any car wash business.

Washing quality and speed in perfect harmony

- Contour-following K!Contour with all-round high pressure, 60 bar, 50 l/min
- K!Planet patented planetary wheel washer with integrated high pressure
- K!Foam pre-cleaning
- LED rear cover
- Rim pre-spraying

LET THE SHOW BEGIN

Do you want to increase the
attractiveness of your site?

INTELLIGENT. PRECISE. WOW.

The impressive solution for operators who want to enhance their customers' washing experience.

A system that leaves nothing to be desired.

- K!Power iQ efficient and powerful roof high-pressure system with 60 bar, 100 l/min
- Optimum cleaning of vehicle rear with K!Back iQ
- Outstanding rim and wheelhouse cleaning with the patented, height-adjustable K!Planet iQ planetary wheel washer with integrated high pressure
- Intensive foam
- Wheel rim foam
- Colour-changing LED lighting for a striking effect, consisting of LED lighting on the inside of the door and at the rear as well as illuminated travel rails

- Individualisation possible

Powered by Kärcher

Co-branding

- Limited use of the brand
- Average advertising impact
- Kärcher Partner
- Marketing support
- Strong image: own brand meets proven Kärcher quality

ADDITIONAL OPTIONS

GET MORE DONE

Numerous options open up
virtually unlimited possibilities
for greater success.

POWERFUL. CONVENIENT. INTELLIGENT.

Increase the attractiveness of your site.

M 80

Our mat cleaner cleans floor mats measuring up to 80 cm in width without water. This is 20 cm more than traditional mat cleaners can manage.

SB V K!Vac

Our powerful self-service vacuum cleaner combines maximum suction power with modern design and cashless payment.

K!Connect

With our online management system, you can open up new possibilities for organising and controlling all of your machines and sites.

ROBUST. COMPACT. VERSATILE.

With these machines on your site,
you have exactly what you need.

Puzzi 10/1

With an upholstery nozzle and floor nozzle, the Puzzi 10/1 is perfect for the hygienic and effective cleaning of smaller to medium-sized areas.

KM 70/20 C

Low-dust sweeping inside and out: the flexible manual sweeper achieves optimum cleaning results thanks to its filter, sweeping roller and side brushes.

HD 5/15 CX

The compact, light and versatile cold water high-pressure cleaner impresses with superb mobility and is suitable both for vertical and horizontal operation.

THE COMBI- NATION MAKES THE DIFFERENCE

The effective interaction between machine and detergent guarantees optimal cleaning.

PERFECT WITH THE RIGHT AGENTS

Our VehiclePro Klear!Line detergents for the CW 3 Klean!Star and CW 5 Klean!Star iQ.

Pre-cleaner

VehiclePro Klear!PreWash RM 890

The VDA-compliant pre-cleaner removes road dirt, grease and stubborn insect residues in no time.

Rim cleaner

VehiclePro Klear!Rim RM 896

Extremely powerful premium rim cleaner for all coated light alloy and steel rims.

Foam

VehiclePro Klear!Foam RM 892

Highly concentrated, foam-intensive cleaner: excellent dirt removal, extremely high dirt-carrying capacity.

Shampoo

VehiclePro Klear!Brush RM 891

Highly concentrated, quick-drying brush shampoo for intensive yet paintwork-friendly cleaning.

PERFECT WITH THE RIGHT AGENTS

Our VehiclePro Klear!Line detergents for the CW 3 Klean!Star and CW 5 Klean!Star iQ.

Care agents

VehiclePro Klear!Glow RM 894

Provides paintwork with excellent protection from external conditions. With a special gloss effect and long-lasting preservation.

VehiclePro Klear!Foam Polish RM 837

Foam polish with lotus blossom extract for clearly visible, shiny and long-lasting preservation. With repair effect and lasting protection of the paintwork from environmental conditions.

Drying aid

VehiclePro Klear!Dry RM 893

Quickly blasts through water to minimise beading on the surface and provide optimum drying results. Cost-effective to use.

THE RIGHT AGENT FOR ANY SITUATION

Our VehiclePro Jet!Line detergents for self-service vehicle washes.

Rim cleaner

VehiclePro Jet!Rim RM 925

Coloured alkaline rim cleaner for self-service systems. Gentle removal of stubborn dirt from light alloy and steel rims.

Pre-cleaner

VehiclePro Jet!PreWash RM 930

For pre-cleaning in self-service vehicle washes, the pre-spraying agent removes even the most stubborn dirt such as insect residues.

Foam

VehiclePro Jet!Active Foam RM 940

Slightly alkaline active foam for a stable foam in self-service vehicle washes. Powerful, VDA-compliant cleaning.

THE RIGHT AGENT FOR ANY SITUATION

Our VehiclePro Jet!Line detergents for self-service vehicle washes.

High-pressure cleaner

VehiclePro Jet!Pressure Wash RM 935

Highly effective cleaning concentrate for vehicle washes. Reliably removes even the most stubborn residues left by oil and insects, for example.

Drying aid

VehiclePro Jet!Top Care RM 950

Top Care supports drying, is suitable for all water hardness levels, allows water to be removed from large areas and dries to a shiny finish without streaks or stains.

Wax

VehiclePro Jet!Wax RM 945

This wax concentrate produces a water-repellent, durable preservative layer with a high-gloss effect. VDA-compliant.
