# WHY HOTSY PRESSURE WASHERS?

When cleaning matters, professionals turn to Hotsy. Built for industrial and commercial jobs, Hotsy hot and cold water pressure washers deliver reliable performance day after day.

**Hot water** models tackle grease and grime fast with heavy-duty frames, efficient burners, and high-quality pumps built for long service life. **Cold water** models deliver simple, cost-effective cleaning when heat isn't needed. Available in electric or gas, every Hotsy is built to work hard – and built to last.

*"I trust Hotsy for their support  
... saves me hours on time and  
I won't go anywhere else."*

# ELECTRIC & GAS HOT WATER PRESSURE WASHERS

Hotsy electric and gas hot water pressure washers outperform cold water alone when tackling grease and heavy buildup. Quiet electric models are perfect for indoor environments, while gas-powered units provide high-output, mobile cleaning for the toughest outdoor jobs.
