

# Data Protection Statement

## Kärcher Supplier Portal

Alfred Kärcher GmbH & Co. KG (hereinafter referred to as Kärcher) carries out all data processing procedures (e.g. collection, processing, storage and transmission) in accordance with the statutory regulations.

The confidential handling of personal data of our suppliers or their employees is very important for Kärcher. Therefore, please observe the following data protection notices. If you set up data of a third party in its name on the Kärcher supplier portal, you must have the consent of the party concerned.

Kärcher only collects personal data of its suppliers or their employees if the latter themselves provide such personal data when registering on the Kärcher supplier portal. The mandatory fields are marked with an asterisk. The mandatory information comprises your first name and surname, e-mail address, business telephone number and address of your company. Other information is provided voluntarily. This data will only be used without your express consent for the purpose of executing the contract and processing your bids or for requests for proposals.

By giving your confirmation you consent to the storage and processing of the data within the Kärcher Group and its subsidiaries. If you have passed on or communicated personal data to Kärcher, this data will only be used for the purposes specified. Your personal data will only be disclosed or otherwise transmitted to third parties, if this is required for the purposes of executing the contract or invoicing, or you have given your prior consent or Kärcher is entitled or obliged to do so on account of statutory regulations (e.g. disclosure to prosecuting authorities). You may change or delete at any time the data that you entered or replace it by other data by logging into the Kärcher supplier portal and editing your entries.

Further information on data processing and data protection can be found in the Data Protection Statement under

<https://www.kaercher.com/de/services/support/datenschutzerklaerung.html>.

There you can also find information on your rights.
